F201 - 6/18 Page 2

Handle in accordance with good industrial hygiene and safety practices. Avoid dust generation and accumulation. Airborne dusts in the presence of an ignition source may constitute an explosion hazard. Avoid sources of ignition. Take precautionary measures against static discharges. Ensure adequate ventilation. Wash hands before breaks and immediately after handling the product.

Keep in a dry and well-ventilated place. Incompatible materials: strong alkaline, acids, oxidizing and reducing agents.

Specific end use(s)

F201 - 6/18 Page 3

Use ventilation adequate to keep exposures (airborne levels of dust, fume, vapor, gas, etc.) below r

Appearance/form (physical state, color, etc.) : Solid honeycomb-core panel

Odor : Odorless

Odor threshold

pH : Not applicable
Melting point/freezing point : No data available

Initial boiling point and boiling range : No data available

Flash point : No data available Evaporation rate : Not applicable Flammability (solid, gas) : No data available

Upper/lower fammability limits : No data available Upper/lower explosive limits : No data available Vapor pressure : No data available Vapor density : Not applicable Relative density : No data available Solubility(ies) : Insoluble in water Partition coefficient: n-octanol/water : No data available

Partition coefficient: n-octanol/water : No data available
Auto-ignition temperature : No data available
Decomposition temperature : No data available
Viscosity : Not applicable

Viscosity: Not applicableExplosive properties: Not explosiveOxidizing properties: No data availableOther safety information: No data available

Results of PBT and vPvB assessment

Other adverse effects

: No data available on product

: No data available on product

: No data available on product

: No data available

: PBT/vPvB assessment not available as chemical safety assessment not

required/not conducted

: No data available.

Disposal of the product

: Disposal should be in accordance with applicable Federal, State and local

laws and regulations. Local regulations may be more stringent than State or

Federal requirements.

Disposal of contaminated packaging

: Dispose of as unused product.
